Lane Closure – 5300 Block of Portage Road

A lane closure will begin at 9 AM on Monday, September 16 in the northbound curb lane of the 5300 block of Portage Road (between Helen Avenue and Byrd Drive). The lane closure is necessary to make an emergency repair to a failing storm water catch basin. Motorists may wish to seek an alternate route to avoid delays. The work is scheduled to be completed by 5 PM on Tuesday, September 17, weather permitting.

For more information, please call the Department of Transportation & Utilities at (269) 329-4422.
