

I Love Portage

Portage is too awesome to leave! The amazingness of Portage are the schools, restaurants and the entertainment. These places are fantastic!

Have you ever gone to one of the schools in Portage? I have! One reason I like the schools is because they have high quality and they supply supplies to students who forgot theirs. The schools also have kind and well educated teachers. Schools rock in Portage!

Portage has fabulous restaurants! They serve you amazing food and the type you want it to be. The restaurants have nice seating and you get to sit anywhere you want. I hope Portage increases the awesomeness of the cities restaurants.

The entertainments in Portage are fantastic! Some of the places include cinemas and arcade areas. In the cinemas when people watch and eat they drop food, so the workers clean up before the next movie. Same with arcades. Another thing about arcades is that if you are waiting and the game is occupied and the person wants to play again he lets you have a chance and then plays more. I will never get bored in such a place like Portage!

I have lived in Islamabad for five years and coming to Portage is a huge change in terms of my house and friends. I love Portage!
