

I Love Portage

I love Portage because we have many options. I think malls are unique because I like to walk around and a normal store is small but malls are huge. The libraries are spectacularly amazing because they have many duplicates of books so if a book is really, really popular and a lot of people want it there's not just 1 copy of this so popular book. There are also many opportunities for young people to get involved in awesome, fun stuff like camp, soccer, and after school stuff. Portage can be described in many ways by using galactic, extraordinary, peaceful, super, educational, inspiration, surreal, gorgeous, and spectacular. Finally one word that would definitely not describe Portage is boring.
