

Fiscal Year 2012-2013 Budget Approved by Council

Budget Includes an Increase to the General Fund Balance

The fiscal year 2012-2013 budget was approved by the Portage City Council on May 22, 2012. The Council and City Administration are pleased to have prepared a balanced budget, totaling \$61.4 million. Importantly, during this period of economic difficulties, the city has practiced an approach to the provision of public services that promotes lower-cost service delivery, including partial or complete privatization of services; the use of part-time, on-call and contracted personnel to supplement full time staff; funding of post employment benefit obligations to lessen or eliminate long-term unfunded liability and, most recently, altering benefit programs for new hires to limit added liability in the future. Highlights of the fiscal year 2012-2013 budget include:

- ◆ A decrease in the overall city tax rate from 10.8916 mills to 10.7778 mills.
- ◆ A decrease in budgeted General Fund expenditures of approximately 2.4 percent from fiscal year 2011-2012 budgeted General Fund expenditures.
- ◆ Incorporation of a 1.5 percent increase in property tax revenue, resulting from an increase in personal property tax revenue.
- ◆ An increase in the fund balance of the General Fund from 13 percent to 25 percent of total General Fund expenditures.
- ◆ Continuation of General Fund support for the Capital Improvement Program, the Major Street Fund and the Local Street Fund.
- ◆ Allocation of an Intergovernmental Collaboration Studies Fund in the amount of \$100,000 to address funding needs associated with planned collaborative service studies.
- ◆ Maintenance of the City of Portage position in the lower 25 percent of all Michigan cities of greater than 25,000 population in terms of millage level.

General Fund Balance

A significant element of the fiscal year 2012-2013 budget involves the increase of the Council-prescribed fund balance for the General Fund from 13 percent to 25 percent of total General Fund expenditures. The City of Portage budget continues to support a broad service delivery program as well as significant capital investment in infrastructure. However, it is anticipated that fiscal year 2012-2013 through fiscal year 2015-2016 will continue to be very challenging. As such, it is increasingly important that a conservative financial posture be maintained, with an emphasis on preserving fund balance. Until a clear picture of a stabilizing revenue base exists, reserves above 13 percent of General Fund expenditures will be planned.

The major categories of the city budget include the General Fund, the Capital Improvement Program Fund, Curbside Recycling Fund, Leaf Pickup/Spring Cleanup Fund and the Municipal Street Fund. The total millage levy in the fiscal year 2012-2013 budget is 10.7778 mills, slightly less than the fiscal year 2011-2012 millage level of 10.8916 mills. The millage includes a General Fund

<i>A Comparison of the Fiscal Year 2011-2012 Millage and the Fiscal Year 2012-2013 Millage</i>						
Average Single Family Residence	2011 Taxable Value \$73,300		2012 Taxable Value \$74,500		2012 Inflation Adjusted Taxes	
	Mills	Taxes	Mills	Taxes	Mills	Taxes
General Fund	7.5000	\$549.75	7.5000	\$558.75	7.5000	\$544.06
Capital Improvement Fund	2.0000	\$146.60	2.0000	\$149.00	2.0000	\$145.08
Curbside Recycling Fund	0.3603	\$26.40	0.3349	\$24.95	0.3349	\$24.29
Leaf Pickup/Spring Cleanup Fund	0.4000	\$29.32	0.4000	\$29.80	0.4000	\$29.02
Municipal Street Fund	0.6313	\$46.27	0.5429	\$40.44	0.5429	\$39.38
Total Millage/Taxes	10.8916	\$798.34	10.7778	\$802.94	10.7778	\$781.83

levy of 7.5000 mills, a Capital Improvement Fund levy of 2.0000 mills, 0.4000 mills for the Brush and Leaf Pickup / Spring Cleanup programs, 0.3349 mills for operation of the curbside recycling program and 0.5429 mills of the Municipal Street Fund millage.

Significant aspects of the major budget categories are outlined below.

General Fund

The General Fund supports the majority of service operations of the city, with the largest percentage of the budget devoted to Public Safety services. Among other notable elements of the General Fund, total full-time staffing has been reduced to 179 full-time positions from 184 full-time positions in fiscal year 2011-2012 (and from 215 full-time positions in fiscal year 2005-2006). After two years of declining property tax revenue, a 1.5 percent increase in General Fund property tax revenue in fiscal year 2012-2013 (attributable to an increase in personal property tax receipts) is in contrast to the 4.4 percent and the 2.6 percent decrease over the previous two years. And while shared revenue from the State of Michigan for the City of Portage was impacted by the loss of statutory revenue sharing in 2011, the magnitude of this loss was reduced by revenue from the state's new Economic Vitality Incentive Program (EVIP) for which the city qualified. Receipt of EVIP revenue is planned for in the fiscal year 2012-2013 budget as well. Finally, as noted above, a projected fiscal year 2012-2013 ending fund balance of 25 percent of General Fund expenditures has been planned.

Capital Improvement Fund

The Capital Improvement Program contains capital projects that promote the public health, safety and welfare; facilitate growth and development; protect community resources and enhance the quality of life within the city. Revenue is provided to the Capital Improvement Program through the property tax millage, Municipal Street Fund millage, utility funds, Federal and state funds, special assessments and through a fund transfer from the General Fund.

With continuing and projected financial constraints, capital projects are focused on essential government functions, with careful management of the level of additional debt resulting from the Capital Improvement Program. The fiscal year 2012-2013 Capital Improvement budget supports \$10.968 million directed toward

infrastructure improvements, with \$3.995 million directed to street related improvements, \$1.005 million directed to utility infrastructure improvements and \$900,000 in public facility, police, fire and park and recreation improvements.

Curbside Recycling Fund

The fiscal year 2012-2013 budget provides for continuation of the weekly curbside recycling program and the Portage-only Saturday household hazardous waste drop-off program initiated in 1999. A slight millage decrease of 0.0254 to the Curbside Recycling millage levy resulted in a levy of 0.3349 mills, which is sufficient to maintain the current level of service.

Leaf Pickup/Spring Cleanup Fund

The fiscal year 2012-2013 budget also continues the provision of the Leaf Pickup Program, with three autumn leaf collection periods. The separate Spring Cleanup Program and the Quarterly Curbside Brush Collection Program are maintained as well. In order to provide sufficient revenue to continue planned programs and provide adequate fund reserves, the Leaf Pickup/Spring Cleanup millage has been maintained at the maximum 0.4000 mill levy.

Municipal Streets Fund

In addition to the specific roadway reconstruction projects that are outlined in the 2012-2022 ten-year Capital Improvement Program, street pavement maintenance receives support in the fiscal year 2012-2013 budget, totaling \$560,000.

Conclusion

In summary, the fiscal year 2012-2013 budget maintains the favorable standing of the City of Portage in the lower 25 percent of all Michigan cities of greater than 25,000 population in terms of millage level, while placing the city in the best position to address the anticipated financial challenges that lie ahead. The City Council and City Administration believe that this conservative financial plan is a responsible and sound program for addressing community needs.

Questions concerning the City of Portage fiscal year 2012-2013 budget can be directed to the Finance Department at 329-4451. The complete budget can be viewed online at www.portagemi.gov > Departments > Finance. The document is also available for public viewing at Portage City Hall (7900 South Westnedge Avenue) and the Portage District Library (300 Library Lane).

City Modifies Quarterly Curbside Brush Collection Program

The City of Portage offers a Quarterly Curbside Brush Collection Program that provides for the collection of brush and branches during the months of January, April, July and October. Also collected are Christmas trees in January and bagged leaves in April.

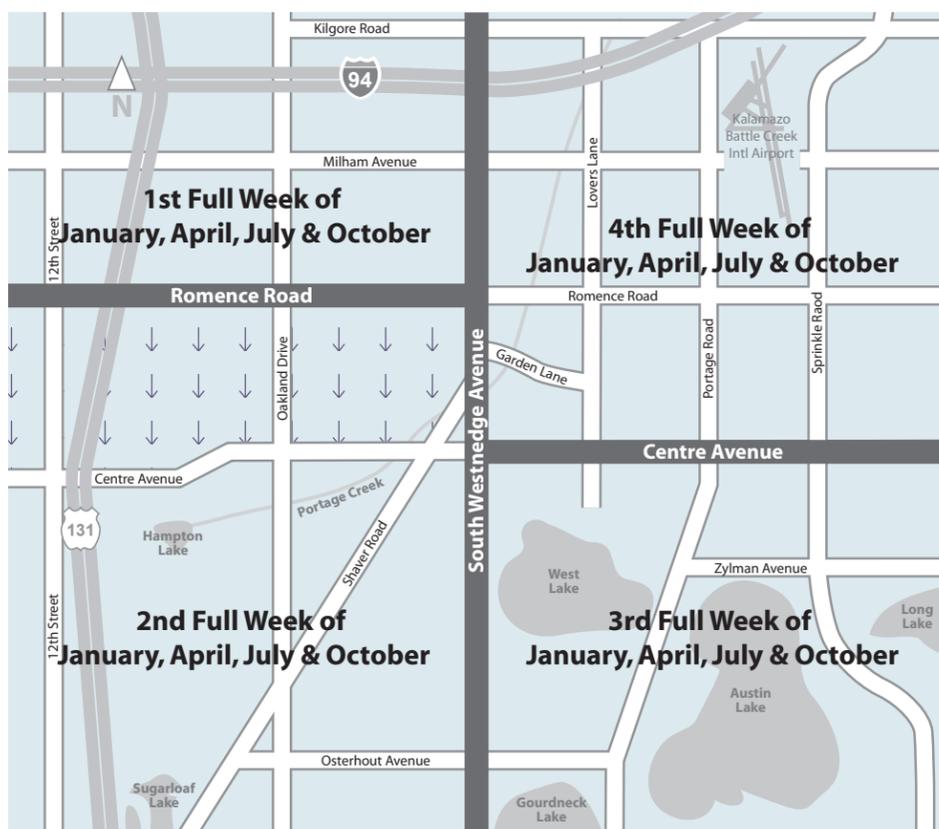

Beginning with the July 2012 collection, the neighborhood collection zones have been modified to provide for more timely service in the heavily-populated northwest quadrant of the city. As noted on the map to the right, the southern portion of the northwest quadrant of the city has been assigned to the second full week of the month.

Another adjustment to the program involves the length of branches. The previous program requirements asked residents to cut brush and branches to lengths of four feet. This program requirement has been removed – branches of any length will be collected. In fact, the city’s brush removal contractor prefers to handle brush and branches that are a minimum of four feet in length. Keep in mind, however, that the diameter must remain three inches or less.

Residents are reminded that a small amount of debris may remain at the curb following brush removal and property owners are asked to assist with the final cleanup.

The following items will not be collected as part of the Quarterly Curbside Brush Collection Program:

- ✘ Brush or branches generated from the removal of a tree with a trunk greater than four inches in diameter. **No part of a whole tree removal will be collected, including the brush and branches from the tree.**
- ✘ Brush or branches generated from a professional tree removal service.
- ✘ Brush or branches with a diameter greater than three inches.
- ✘ Grass clippings, flowers, weeds, ornamental grasses or garden materials.
- ✘ Firewood, lumber, timber, building materials or railroad ties.
- ✘ Roots or tree stumps.
- ✘ Yew branches or vines.
- ✘ Loose or bagged leaves. (*Exception: Bagged leaves are collected as part of the April collection.*)

Questions concerning the Quarterly Curbside Brush Collection Program can be directed to the Department of Parks, Recreation & Public Services at 329-4444.

Healthy Neighborhoods Create Great Communities

Every great community includes healthy and vibrant neighborhoods. While there are many ways to create a high quality of life in a community, many simple and common sense actions can help to maintain and improve neighborhoods, and make Portage a great place to live, work and play:

- ◆ Say hello! Make an effort to get to know your neighbors.
- ◆ Maintain lawns and swimming pools. Remove or properly store trash and debris.
- ◆ If your neighborhood has public sidewalks, regularly remove snow and ice or debris.
- ◆ Assist elderly or disabled neighbors with tasks that may prove challenging for them, like the removal of snow and ice from sidewalks, gutter cleaning, leaf raking or moving garbage containers to and from the street.

- ◆ Regularly maintain painted building surfaces such as walls, windows and trim. Repair siding and roofing, and clean rain gutters. Be sure to observe local regulations including building and zoning codes.
- ◆ Remove inoperable vehicles or store them in a garage and park all other vehicles on an improved driveway surface.
- ◆ Do not block driveways, mailboxes or sidewalks with motor vehicles, recreational or landscaping equipment.
- ◆ Keep pets on a leash or confined to secured yard areas. Clean-up after pets and avoid excessive dog barking.
- ◆ Avoid playing loud music and operating domestic power tools during early morning or late night hours.
- ◆ Join or form a Neighborhood Watch group.
- ◆ Talk with your neighbors about issues that may negatively affect the quality of neighborhood life.

Desirable neighborhoods are important building blocks to a great community.

In addition, neighborhood quality can be reinforced by the efforts of its residents, and being a good neighbor has a rewarding and positive effect. The City of Portage has established community quality, housing and property maintenance codes to achieve and maintain the livability and appearance of the community. If you have a neighborhood issue or concern that you wish to report, contact the Department of Community Development at 329-4466 or 329-4477 for assistance.

Residential Building Permit Assistance

The City of Portage has adopted safeguards to protect the health, safety and welfare of residential neighborhoods. Through the assistance of property owners or contractors obtaining the necessary residential building permits, City of Portage zoning and State of Michigan building and construction code regulations are fulfilled. Construction may begin when the project application is submitted and the permits for the work are issued to either the property owner (if they are performing the work) or a properly licensed State of Michigan contractor.

Residential building permits are necessary to begin construction on the following items:

- ◆ New homes
- ◆ Additions or structural alterations to the home
- ◆ Interior remodel (including basement finish)
- ◆ Accessory buildings or structures (such as garages, sheds, decks, etc.)
- ◆ Swimming pools capable of holding more than two feet of water
- ◆ Decks and similar structures
- ◆ Fences over six feet in height

Property owners and contractors who need assistance in obtaining residential building permits may contact the City of Portage Department of Community Development at 329-4477 for additional information, application materials, permit costs and related assistance.

Home Improvement Assistance Available

In partnership with the U.S. Department of Housing and Urban Development (HUD), the City of Portage continues its long-standing home improvement assistance program for income eligible homeowners throughout the community. The Community Development Block Grant (CDBG) Owner-Occupied Housing Rehabilitation Program offers emergency repair grants and low-interest, deferred loans for housing improvements that address urgent and other necessary home repairs. Eligibility for program participation is based on maximum income limits established annually by HUD (for example, a four-person household with an annual income not exceeding \$50,550 is eligible for participation in the program).

To obtain more information, or to request an application, please call the City of Portage Department of Community Development at 329-4477.

Be a City of Portage Paid On-Call Firefighter!

Those who have acquired Firefighter I, Firefighter II and the Medical First Responder certifications or are in the process of doing so and who live within a 5 minute response time to any City of Portage fire station are encouraged to contact the City of Portage Department of Employee Development at 329-4533 for additional details on how to become a paid City of Portage On-Call Firefighter

Further information on the recruiting process is available on the city website at www.portagemi.gov > Departments > Employee Development > Employment.

Get Active Portage!

The City of Portage will host **Get Active Portage!** on August 11, sponsored by the Portage Park Board, Spirit Racing LLC and Lee's Adventure Sports. **Get Active Portage!** is a celebration of health and wellness in our community and will take place at Ramona Park (8645 Sprinkle Road).

The event begins with the Ramona Park Youth Triathlon at 9 a.m. (registration begins at 8 a.m.) for ages 6-9 and 10-13. This event challenges young athletes in swimming, biking and running.

The third annual Paddle Fest will occur on Long Lake. On-site registration begins at 10 a.m. and the first race will launch at 11 a.m. These races are geared for all abilities. The registration fee is \$10 per race participant. Trophies will be awarded to the top finishers among age groups.

The Ramona Park Health Fair, running from 9 a.m. to 1 p.m., will provide opportunities for interaction with area health and wellness vendors to promote healthy lifestyles. Participants can learn about numerous opportunities provided in the Portage area.

Ramona Park is home to public swimming, beach volleyball, a fully accessible playground structure and many other family facilities. To print a free vehicle parking permit for this event, visit www.portagemi.gov > Departments > Parks & Recreation > Seasonal Recreation and click on the **Get Active Portage** link.

Come and enjoy the fun! Volunteers are needed! Please contact the Parks & Recreation Division at 329-4522.

Extra, Extra! Read All About It!

Hot off the presses! Check out the Portage Summer Entertainment Series (SES) brochure in your June Portager.

Don't miss out on any of the action! With all there is to do this summer, be sure to keep your SES brochure handy. Each page is filled with exciting entertainment that will appeal to everyone. Highlights include the return of the Taste of Portage, Kids Kickoff, Shakespeare in the Park, Lunch & Learn, Outdoor Movie Nights, Break-a-Leg Players, concerts at the Celery Flats Amphitheatre and teas at the historic Stuart Manor (see related article below). Making a special appearance on July 29 at the Overlander Bandshell is the world famous **Glenn Miller Orchestra!**

Stop the Presses! Did you know that the SES is a self supporting program? Through the generous support of sponsors, foundations, local residents and ticket sales, Portage tax dollars do not fund the program. Show your support by attending one or more of the 34 outstanding events being held in the award winning Portage Parks this summer. Tickets can be purchased at www.portagemi.gov – click on the SES icon – or by calling the Parks and Recreation Division at 329-4522. Sign up to receive event e-mail reminders or become a fan at [Facebook.com/PortageSES](https://www.facebook.com/PortageSES).

Summer Teas at Historic Stuart Manor

Enjoy the high quality of service, a relaxing atmosphere and memorable moments with family and friends as only teas at the historic Stuart Manor can provide.

enjoying sweet and savory treats. Lady Kensington will take you on a trip down memory lane through stories and showcasing some of her royal souvenirs of past Silver, Golden and Diamond Jubilee celebrations.

Literary Humor: A Fresh Splash of Quirky by Elaine Seaman

Wednesday, July 18, 12 Noon

What do Shakespeare, Jane Austen, Mark Twain, Tom Robbins and David Sedaris have in common? Humor. At this tea, we'll explore a few books – perhaps *Pride and Prejudice* (Jane Austen), *Skinny Legs and All* (Tom Robbins) and *A Confederacy of Dunces* (John Kennedy Toole). To paraphrase Ambrose Bierce, "Nothing is more infectious or incurable than laughter."

Glenn Miller Orchestra

Sunday, July 29, 4:30 p.m.

All Tickets \$40

Are you "In the Mood" for a special evening? Join us for a special tea prior to the *Glenn Miller Orchestra* concert at the Overlander Bandshell. Guests will be transported back to the big band era and will enjoy listening to one of the greatest sounds of all time. Tea guests will also be provided chairs with VIP seating at the concert.

The Titanic: 100 Year Anniversary Voyage

Wednesday, August 1, 12 Noon

Come aboard the Titanic for tea while we hear from Eliza Blackwell Dupree, a fictional survivor of the Titanic Disaster of 1912. Eliza will greet you as you step aboard and assign you a passenger persona for the event. Don your favorite hat or full costume if you like and sail away back in time to commemorate the 100th anniversary of

the Titanic tragedy with dignity and respect. Continue the Titanic experience by attending the movie *The Unsinkable Molly Brown* immediately following the tea at 2 p.m. at the Portage District Library. Movie and popcorn are free.

Snow White Princess Tea

Saturday, August 4, 5:30 p.m. Adults \$27; Youth \$20

This event is for all princesses' young and young-at-heart. The characters from the Break-A-Leg Players production of *Snow White and the Seven Dwarfs* host this special event. Guests will enjoy a menu designed especially for children and are encouraged to come in a favorite princess outfit! After the tea, travel through the enchanted forest to the Hayloft Theatre to see *Snow White and the Seven Dwarfs* at 7 p.m. at the Celery Flats Amphitheatre. Ticket prices include the cost of the tea and theatre production.

Edible Herbs and Flowers

Saturday, August 11, 1:00 p.m.

Edible flowers are the new rage in cuisine! Learn how to cook with organic edible flowers and herbs with master chef Lori Brown. Flower cookery has been traced back to the Roman times, and the Chinese, Middle Eastern and Indian cultures. Today, many restaurant chefs and home cooks use flowers in their dishes. Explore this unique botanical addition to foods.

Unless stated otherwise, fees are \$22 for adults and \$15 for youth 5-12, which includes a four-course tea, tax and gratuity. Pre-paid reservations are required as seating is limited. To reserve a table, call the Portage Parks & Recreation Department at 329-4522 or purchase your tickets online at www.portagemi.gov.

China in Picture and Story

Saturday, June 16, 1 p.m.

No climbing the Great Wall required to experience one of the oldest cultures steeped in tradition. Travel across the seas as renowned photographer Chuck Bentley shares his photographs and brings to life the sights, sounds and beauty of China.

"History of the Blues" by John Speeter

Wednesday, June 20, 12 Noon

John's program is both a performance and a narrative tracing the Blues through the songs of several well known masters of the genre. Both an informative and entertaining event. Continue your tea experience by attending a special showing of *Oh Brother Where Art Thou?* on Thursday, June 21 at 6:30 p.m. at the Portage District Library. The movie and popcorn are free.

Jubilee Celebrations

Queen Victoria – Queen Elizabeth II

Presented by Kris Kenz, Lady Kensington Enterprises

Saturday, July 14, 1:00 p.m.

You are cordially invited to attend Her Royal Majesty's Diamond Jubilee Tea. Join in the celebration by wearing your pearls, hats and gloves while sipping tea and

Portage Rotary Club to Sponsor Fourth of July Fireworks

The Portage Rotary Club will once again sponsor Fourth of July Fireworks at McCamley Field on Wednesday, July 4, 2012. Gates will open at 6 p.m. with the fireworks show beginning at dusk. There is no cost for admittance; however, the Portage Rotary Club will accept donations at the gates and concessions will be available.

Money raised through gate donations and concession sales will help defray the cost of the fireworks. Any proceeds will benefit the Portage Rotary Club Scholarships program. Each year, the Portage Rotary Club awards scholarships ranging from \$500 to \$3,000 to Portage area students to assist with higher education expenses. Visit the Portage Rotary website at www.clubrunner.ca/portage for more information about the scholarship program.

Questions about the 4th of July Fireworks can be directed to Elizabeth Campbell at campbell4portage@yahoo.com or by phone at 377-7911.

Entertainment and Recreation

Successful communities are made up of the same primary ingredients: good housing stock, commercial, retail and industrial balance, good schools and health care. The City of Portage provides all of these ingredients and more. The “more” in our case is one of our finest assets – our recreation, open space and entertainment opportunities.

It is not by accident that the City of Portage invests in recreation and entertainment or that it protects the many natural gifts located here. Studies show that such investments protect the economic health of a community. Economists call it hedonic value – the increased property tax generated from increased property values because of proximity to parks. When it comes to providing various forms of entertainment, such as the very popular annual Summer Entertainment Series, revenue can also be generated through day tourism and event sales. In addition to this collective wealth comes the direct savings to city residents who can enjoy the numerous parks, recreation and entertainment offerings locally. But that’s not all. Such assets can also bring community together, ward off blight, protect the natural environment and encourage healthy living. So whether its walking or biking, joining a city softball league, hiking through one of our protected wetlands, enjoying an outdoor concert or just relaxing with the family in one of the 17 city parks, this city has much to enjoy.

I encourage you to take advantage of all this city has to offer in the way of parks, recreation and entertainment. You won’t be disappointed!

Mayor Peter J. Strazdas

Portage Parks and Recreation Highlights:

- ◆ 17 individual park properties
- ◆ 56 miles of bikeways
- ◆ Over 900 acres of protected land for public use
- ◆ Park space on several lakes and along scenic Portage Creek – a rare urban cold water trout habitat
- ◆ Three parks dedicated to nature preservation and enjoyment
- ◆ Excellent recreation facilities located throughout the city
- ◆ Unique facilities such as a refrigerated outdoor ice rink, skate park, historic museum and fishing piers
- ◆ Miles of multi-use, hiking and nature trails
- ◆ Annual “Summer Entertainment Series” at several park venues
- ◆ Popular summer and fall adult softball leagues
- ◆ Park Ranger program to ensure the integrity of the system
- ◆ Lifeguarded summer beach operation

Charter Relocating Cable Access Channels

Effective June 14, 2012, Charter Communications will relocate three Public Media Network (PMN) cable access channels (19, 20, 21) on the analog tier to new analog channel positions (96, 97, 98). The new “Public Media Neighborhood” will feature the following new block of community channels:

Analog Tier “Public Media Neighborhood”

- Channel 95 - PMN/Public Programming
- Channel 96 - Public Programming
- Channel 97 - Public Programming
- Channel 98 - Government Programming
- Channel 99 - Educational Programming

Charter Digital Tier Cable Access Channels

- Channel 990 - Public Programs
- Channel 991 - Public Programs
- Channel 992 - Government Programs
- Channel 993 - Educational Programs
- Channel 994 - PMN/Public Programs

For more information, contact Public Media Network at 343-2211

Legal Notices Posted on City Website

While the *Kalamazoo Gazette* recently implemented a reduction in the delivery of the printed newspaper, the City of Portage continues to meet its legal obligations of keeping residents informed of public meetings, local government activities and business by making legal notices available in the newsstand and on-line editions of the publication.

In an effort to meet the ongoing commitment of the City of Portage to provide exceptional customer service, transparency and access to local government information, legal notices are also posted on the City of Portage website. View all current legal notices by visiting the “Quick Links” section at www.portagemi.gov.
