

# PORTAGER

*A Natural Place to Move*

## A Message from Mayor Patricia M. Randall

I am always curious about the lives of those who came before me. I am fascinated with ancient artifacts which give us a window into how they lived, loved and survived. History can be found in museums, ancient ruins, carved into rock and embedded in caves. However, one does not have to visit a museum or faraway places to witness that which came before us; living trees could tell us many a story if only they could communicate.

Trees appear in hundreds of proverbs, sayings that express simple truths or experiences throughout modern and ancient history, in every culture and from every continent. People cared about their trees and the impact they had on their lives, as the proverbs reveal:

*A society grows great when old men plant trees in whose shade they know they shall never sit.* – Greek proverb

*The best time to plant a tree was twenty years ago. The second best is now.* – Chinese proverb

*A tree falls the way it leans.* – Bulgarian proverb

*A tree does not move unless there is wind.* – Afghan proverb

*A seed hidden in the heart of an apple is an orchard, invisible.* – Welsh Proverb

*There is not a way into the woods for which there is also not a way out of it.* – Irish Proverb

*A tree doesn't fall with one blow.* – Yiddish proverb

The wisdom captured in these quotes serves as a reminder of our deep human connection to nature and the responsibility we hold to nurture and protect it. Planting a tree is more than just an act of environmental stewardship, it's a profound gesture of hope, a symbol of life, and a legacy for future generations to enjoy.

The May 7, 2024 tornado destroyed 48,000 trees, many in Portage. The loss of 3,900 trees in Celery Flats and along the Portage Creek Bicentennial Park Trail was a staggering loss. Today, our city's tree canopy is 27%, which is far below the U.S. Forestry Service recommended amount of 40-60%.

Trees provide many benefits. Here are just a few examples:

- » Reduce carbon monoxide
- » Lower temperatures during the hottest months
- » Improve air and water quality

- » Expand wildlife habitat
- » Attract economic development

The city is not only committed, but has already taken steps to plant more trees by allocating \$110,000 annually and seeking all available grant opportunities. Reforestation is a long-term goal which has caught the attention of the Portage Parks Foundation. The "Leaf-A-Legacy" program has committed to planting four hundred trees over two years and they are seeking your help. With the expertise of a forester, 6-8 foot native trees will be planted in the areas most impacted by the storm. You can learn more and donate to the cause here: [portageparksfoundation.org](http://portageparksfoundation.org).

As we enter the holiday season, consider paying it forward by planting a tree to help restore wildlife habitats. Organize your neighborhood, workplace, social, and faith-based groups to support this endeavor. Instead of buying that obligatory gift for someone who already has everything, buy them a tree. Then, once we have become part of history, someone in Portage will enjoy the shade of a tree that they did not plant. How awesome is that?

Happy Thanksgiving Portage!

– Patricia M. Randall

## Grants Available to Human Service Agencies Providing Assistance to Portage Residents in Need

The City of Portage is committed to supporting non-profit agencies that offer critical services to residents in need, particularly those that help individuals maintain stable housing. Each year, the city allocates grants from the General Fund to organizations that address housing needs and provide essential services,

such as home repairs for seniors, emergency assistance, and more. These services ensure that residents can stay

in their homes and focus their income on housing expenses, taxes, insurance, and necessary repairs to maintain a safe living environment. The assistance also includes transportation for appointments and work, along with vital support like food and clothing.

For FY 2025-26, Human Public Service funding will be available starting July 1, 2025. Although the exact amount of funding for FY 2025-26 is not yet determined, the city

allocated \$206,000 from the General Fund for human services in this current fiscal year. Not all communities offer this type of funding, but the Portage City Council views it as a valuable investment that directly benefits residents.

Non-profit agencies in the greater Kalamazoo area are encouraged to apply for these grants by submitting a Human Public Service grant application to the Department of Community Development.

### Qualifying Criteria for Grants

The following criteria will be used by the City of Portage Human Services Board to evaluate funding requests:

- » Extent to which the program services meet a basic human need in support of housing (e.g., provision of housing units such as rental units, opportunities for homeownership, or elderly, assisted, and supportive housing). Programs that provide essential services like food pantries, health and safety services, job training, transportation, and quality of life enhancements to help people remain in or obtain housing are also eligible.
- » Extent to which program services are accessible to Portage residents.
- » Extent to which clientele are economically or socially deprived, senior citizens, or people with disabilities.
- » The number of Portage residents to be served.
- » Outreach efforts to Portage residents.

- » For new programs or agencies, the ability to secure other funding. For established programs (five years or more), the ability to leverage additional funding. Startup programs will not be accepted.

To qualify for funding, applicants must provide direct services that benefit low-income residents of Portage. Applicants should be prepared to offer detailed information on the income and demographics of the clientele they serve.

The FY 2025-26 Human Public Service Grant Application is available on the Human Services Board web page at [portagemi.gov/180](http://portagemi.gov/180).

### Application Deadline

To be considered for funding during the FY 2025-26 funding cycle, complete applications must be submitted by 12 PM on Tuesday, November 26, 2024, to:

Portage City Hall  
Department of Community Development  
7900 South Westnedge Avenue  
Portage, MI 49002

Emailed applications will not be accepted. For additional information, contact the Department of Community Development at 329-4477.

## Community Services Open House

Thursday, November 7, 4:30 - 6:30 PM  
Portage Zhang Senior Center (230 East Centre Avenue)

## Curious about Human Services Available in Portage?

Are you curious about the extensive range of services and resources available to Portage residents? Perhaps you're seeking assistance for yourself or a loved one, are interested in volunteering, or simply want to learn more about the support systems within our community. If any of these scenarios resonate with you, mark your calendar for the upcoming Community Services Open House, where service organizations will share their invaluable resources and assistance offerings.

This event promises to be an informative and engaging occasion, providing you with an opportunity to learn about the multitude of community services that cater to the diverse needs of Portage residents. Explore programs and services designed to enhance the lives of children,

teenagers, and families. Discover organizations that provide essential support in areas such as housing, food, transportation, and financial assistance. Learn about local healthcare resources, clinics, and wellness programs.

Discover non-profit organizations and community groups working tirelessly to address social issues like poverty, homelessness, and domestic violence. Your involvement can be a powerful force for change. If you're passionate about giving back to the community, there will be information about local volunteer opportunities.

The Community Services Open House is not just an event; it's an opportunity for us, as a community, to come together, support one another, and strengthen the bonds that make Portage a special place to live. Together, we can build a stronger, more connected, and compassionate Portage.

## Fall Leaf Collection Program Continues through December 6

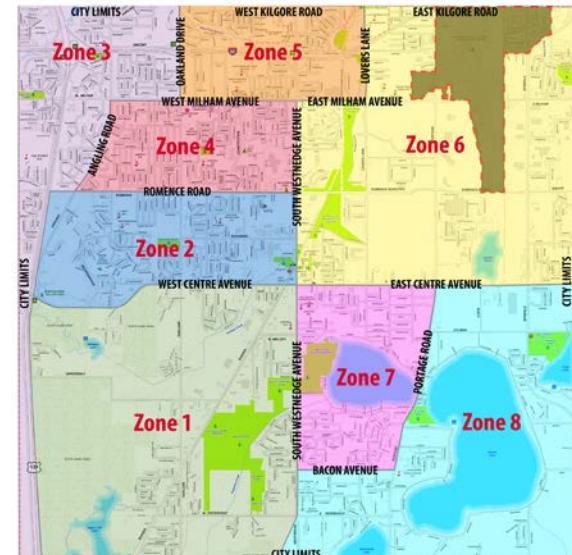

The annual Fall Leaf Collection Program began on October 28 and will run through December 6, weather permitting. If you missed your first collection, not to worry! Two more collections will take place in each neighborhood zone.

This year, to better accommodate leaf volumes, the city has modified the zone map to include eight zones instead of the previous seven zones (see schedule to the right). Complete program details along with the full collection map and schedule for the eight leaf pickup zones are available at [portagemi.gov/282](http://portagemi.gov/282). Residents can also use the handy Address Locator Tool found on the city website.

- » Place leaves at the curb by 7 AM on your scheduled pickup date.
- » **ONLY loose leaves or leaves bagged in biodegradable paper bags will be collected. Leaves in plastic bags (including biodegradable plastic bags) WILL NOT be collected.**
- » Loose leaves should be raked off the grass and into the street. Leaves bagged in biodegradable paper yard waste bags should be placed next to the curb as close to the street edge as possible. **Please do not block traffic or bike lanes.**
- » Public streets will be swept following the third and final collection, weather permitting.
- » **There is NO burn period in Portage.** Burning of leaves is not permitted at any time.
- » If you notice a neighbor who may need help getting their leaves to the curb, **lend a hand! #PortageCares**

Questions regarding the Fall Leaf Pickup Program can be directed to the Department of Public Works at 329-4444.

Zone	1st Collection	2nd Collection	3rd Collection
1	Monday, October 28	Monday, November 11	Monday, November 25
2	Tuesday, October 29	Tuesday, November 12	Tuesday, November 26
3	Wednesday, October 30	Wednesday, November 13	Wednesday, November 27
4	Thursday, October 31	Thursday, November 14	Monday, December 2
5	Friday, November 1	Friday, November 15	Tuesday, December 3
6	Monday, November 4	Monday, November 18	Wednesday, December 4
7	Tuesday, November 5	Tuesday, November 19	Thursday, December 5
8	Wednesday, November 6	Wednesday November 20	Friday, December 6

## RECYCLE BATTERIES!

We accept many types and sizes of batteries, visit our website for details.

For more information visit our website: [kalcounty.com/hhw](http://kalcounty.com/hhw) or call 269-373-5211.

This service is provided by the Kalamazoo County Household Hazardous Waste Center at no additional fee through a City of Portage dedicated, voter-approved millage.

## Shake Your Mailbox Now to Avoid Winter Woes

Before winter arrives, take a few moments to check the stability of your mailbox. A quick "shake test" can help you avoid bigger issues later. If your mailbox moves when shaken, it may not hold up against the force of snow being pushed by plows. Tighten screws, secure the post, and repair or replace any weak parts now to save yourself the hassle later. Fix loose hinges on the door and make sure reflective house numbers are clearly visible for postal workers and emergency responders.

### Mailbox Repair & Replacement Program

Although city snowplow operators do their best to avoid damaging mailboxes, the weight of snow being cleared from the roads can sometimes cause unavoidable

damage. If your mailbox is damaged due to snow removal, the City of Portage offers repair or replacement services through the Mailbox Repair Program.

If your mailbox or post cannot be repaired, the city will replace it with a standard U.S. Postal Service-approved model. The replacement mailbox is available in white or black and measures 6.5" x 19" x 8.5" with a hinged door and flag. Posts are

replaced with a standard 4" x 4" wooden post. For residents with a specialty mailbox or post, the city offers a \$44 reimbursement toward the cost of the standard replacement, allowing homeowners to upgrade at their own expense.

Report a damaged mailbox at [reportit.portagemi.gov](http://reportit.portagemi.gov) or call the Department of Public Works at 329-4444.

## YOU HAVE MORE FRIENDS THAN YOU KNOW

### Date Night Cooking Class

Enjoy a culinary journey with our Date Night Cooking Class that promises to deepen connections and sprinkle love into every bite – perfect for couples looking to mix fun, learning, and romance. Savor a glass of champagne or non-alcoholic sparkling juice to set a joyful tone, and regardless of your cooking skills, prepare a delicious meal under the expert guidance of Meg Mattison. The menu will feature Southern Small Plates, crafted to spark conversation between couples and strengthen bonds.

- » Tuesday, November 19, 6 - 9 PM
- » \$60 per couple (Registration required)

### Music Bingo

Put your music knowledge to the test and have a blast! This isn't your grandma's bingo; hits replace numbers, and memories await! Dance to tunes from across all eras and mark your cards with every matching song. Compete for fantastic prizes in a lively atmosphere, promising laughter

## Portage Zhang Senior Center Events, Activities & Classes

### Explore More. Have Fun. Live Well.

Find us at 203 East Centre Avenue | [mypzsc.portagemi.gov](http://mypzsc.portagemi.gov) | To find out more or to register, call 329-4555

Experience a vital, vibrant community offering a wide variety of services and activities that match the needs of active older adults.

**Membership and participation at the PZSC is open to anyone over the age of 50. Portage residency is not required.**

All events are held at the Portage Zhang Senior Center unless otherwise noted.

and friendly competition. Light snacks and water provided; pop adult beverages available for purchase.

- » Wednesday, November 13, 4 - 6 PM
- » \$10 per person (Registration required)
