Boil Water Advisory (8190 – 8284 Slate Stone Circle)

UPDATE: February 17, 2022

The boil water advisory on Slate Stone Circle from 8190 to 8284 has been lifted. Collection of bacteriological samples from the water main have passed the State of Michigan regulated standards. For more information, call the City of Portage Department of Transportation & Utilities at 329-4422, Monday through Friday, 8 a.m. to 5 p.m.

#####

On February 14, 2022, a water service was damaged near 8179 Slate Stone Circle. It became necessary to depressurize a section of the water main to complete the repair of the damaged water service. Affected customers from 8190 to 8284 Slate Stone Circle are advised to boil their tap water for a minimum of one minute before use for drinking, brushing teeth, or cooking.

This is a precautionary measure, and all means of flushing and collecting bacteriological samples from the water main before the advisory is lifted will be followed. A news release will follow once the advisory is over.

For more information, please call the City of Portage Department of Transportation & Utilities at 329-4422.
