Bike Portage Bike Share Rental Program Opens for Season

Starting April 1, Portage Parks & Recreation will open the Bike Portage bike share rental program for the 2022 season. Bike Portage features ten step-through style bicycles available for rent at Celery Flats Park (7301 Garden Lane), near the canoe livery building. Users must download the **Movatic** app on their mobile device, create an account, allow the app to use their location to find the “Celery Flats” bike share location, and follow the prompts to pay for and unlock their bicycle. The bike share rental program is operational April 1 through October 31, as weather permits. Bike Portage is made possible by a generous donation from Discover! Kalamazoo.
