West Centre Avenue Lane Closure (Valleywood Lane to Creekside Drive)

Beginning Monday, May 16, 2022 at 8 AM, lane restrictions will occur on West Centre Avenue from Valleywood Lane to Creekside Drive to facilitate a water main installation across West Centre Avenue, weather permitting. Traffic will be shifted to the two south lanes with one lane in both eastbound and westbound directions. Motorists are advised to be alert for construction activities and may wish to seek an alternate route to avoid delays. Construction and lane restrictions are scheduled to be completed by Wednesday, May 25, 2022, weather permitting.

For more information on this project, please call the Department of Transportation & Utilities at (269) 329-4422.
