

## NEWS RELEASE

FOR IMMEDIATE RELEASE  
August 14, 2022

Contact: Kendra Gwin, P.E.  
Director of Transportation & Utilities  
(269) 329-4422

### **Accident Causes Watermain Shutdown** 5603 – 5811 Oakland Drive

This morning at approximately 5:30 a.m., a fire hydrant at 5603 Oakland Drive was struck by a vehicle. This resulted in the shutdown of the water main which has left customers in the area of 5603 – 5811 Oakland Drive without water. The water will remain off until repairs can be made which may take several hours. Once the water is restored, a boil water advisory will be issued due to the depressurization of the watermain. Residents of the affected properties will be advised with a notice affixed to their front door.

Questions may be directed to Veolia by calling (269) 324-9235. The City of Portage Department of Transportation & Utilities can be reached at (269) 329-4422, Monday through Friday from 8 AM to 5 PM.
