

Max Clements
Moorsbridge Elementary

Dear Mayor Randall,

I would like to share with you some fun things I like about Portage Michigan. I'm looking forward for sleiding in the winter. I have to prepare before I go out. I wear everything. I get to wear a sweater, snowpants, socks, snowboots, a vest, a scarf, gloves, a coat, and a hat. Winter in Portage, is the best because we have the best driveway to go sleiding. The parks have some great hills available for us kids as well.

In Portage, I like the Dining Options.

For Thanksgiving and Christmas, we can get the best food I get to have. I get to eat turkey, stuffing, mashed potatoes, green bean casserole, yams, rolls, deviled eggs, and cramberry sauce for my meal. For my desert, I get to eat apple crisp, apple pie, and pumpkin pie. My mom buys that food from Hardings grocery store that is special to Portage Michigan. My family and friends sometimes go to fieldstone grill. They have the best meals for the holidays!

One of the best best places to go is to Havorhill Park!

I love Havorhill Park. One thing I like about the Havorhill Park is the playground. They have a playset with a wobbly bridge, a dinosaur, and a fish and a swing. Sometimes my mom takes me there and sometimes my dad takes my there I also get to have some friends at the park sometimes. I have to drive there on the satern sometimes, and the dodge sometimes. Thank you Mayor Randall for taking care of Portage.
