

Why I Love Portage

Hi, my name is Samantha Lee and I am a 5th grader at Amberly Elementary school. I am writing to you to tell you why I love Portage

Portage is a great place to live for many reasons, one of which being the fact that Portage's schools are great. This is my 6th year at Amberly and throughout that time I have learned many life lessons. From how to add, subtract, multiply, and divide to how to count money. They are all important to getting a good job.

Another reason I love Portage is the feeling of being safe. Portage, to me, is a place where I won't have to worry about bad things happening, a place where I can be happy and calm. A place I am safe. Even if something bad does happen, I know the First Responders will be there to protect me and my family. I am truly grateful for that.

In addition, Portage is a very peaceful place. Everyone is kind and happy. The air is clean and there is no litter anywhere. In the fall, the trees are beautiful shades of red, orange, and yellow. Into the Spring, the flowers fill Portage with happiness with their bright and happy colors and patterns. Thank you, kind citizens, for preserving that natural beauty.

In conclusion, Portage is a beautiful, peaceful town and I am so lucky to live here.
