1. Thank You Card

A. Find someone you would like to thank for helping others such as a police officer, doctor, nurse, mail carrier, grocery workers, delivery person, mom, dad or another who takes care of people.

B. Make a thank you card and send it to them.

C. Write a couple sentences letting us know who you chose and how they help you and/or the community.

2. Color Ramona Raccoon

Ramona Raccoon is delivering groceries to an elderly neighbor. Download and color the picture with crayons, markers, or colored pencils. After you are done, hang it in your window. Or you could post it on Facebook or Instagram using #portageheroes.

3. Random Acts of Kindness

Perform an act of kindness for 5 different people. There are many ways of giving to others including:

- Do something nice for a family member
- Pick up the tab for a meal or even a coffee
- Hand out a \$5 gift card to someone
- Collect blankets for an animal shelter
- Buy coloring books, crayons or small toys for a shelter or children's hospital

**Come up with some of your own ideas too!
Let us know the five acts of kindness you
performed to brighten the day of another.**
