

Board of Review (BOR) Principal Residence Exemption (PRE) Request for Current & Previous 3 Years

Property owners who did not file a PRE Affidavit form with the Office of the City Assessor prior to the June 1 or November 1 deadline, may request consideration from the July or December BOR. To be eligible for the PRE, owners must own and occupy the property as their primary residence and may not claim a similar exemption elsewhere. Claiming a PRE allows the owner to be exempt from paying school operating taxes on a property tax bill. Completed forms should be returned to the Office of the City Assessor with the completed **PRE Affidavit Form 2368** by July 1 for consideration by the July BOR or December 1 for consideration by the December BOR. Forms may be e-mailed, mailed or faxed.
