Romence Road Reconstruction - Angling Road to Oakland Drive Open to Eastbound Traffic Only

Beginning Monday, August 8 at 6 AM, Romence Road from Angling Road to Oakland Drive will be open for eastbound traffic only to allow for final paving operations.

The detour route for westbound traffic will be Oakland Drive north to East Milham Avenue, west to Angling Road and south to Romence Road. Eastbound traffic is planned to be maintained at all times; however, there will be intermittent flagging operations. It is anticipated that paving operations will be complete on August 9, weather permitting. At this time, two-way traffic will be restored.

Updates regarding the Romence Road, Angling Road to Oakland Drive project can be found at portagemi.gov/295/Construction-Projects or by subscribing to the Road Construction Updates Notify Me category at portagemi.gov/lists.aspx.

Questions may be directed to the Department of Transportation & Utilities at (269) 329-4422, Monday through Friday, from 8 AM – 5 PM.
