### Investigation fee

Whenever work for which a permit is required by this code has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work. The investigation fee shall be in addition to the permit fee and shall be based upon the staff investigation time required to ensure code compliance, charged at the hourly inspection rate. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of this code nor from any penalty prescribed by law.
